Outpatient Referral Requests

Please check the appropriate treatment needed, sign and date the Rx request. Fax the patient's demographics, last 2 physician progress notes along with the Rx order form to 225-906-3837 to Attention: Lisa.

Once the patient's insurance has been verified, we will schedule the evaluation and contact the patient with further information regarding their appointment. If you have any questions, please contact Lisa Comeaux at 225-906-2669.

Thank you
